CALEB DIMMICH

In July of 1999, senior captain Caleb Dimmich died in a tragic farm accident. Caleb was admired for his leadership qualities both on and off the court at Indiana Wesleyan. He was the leading scorer for the Wildcats in two of his three seasons, amassing a total of 1,158 points during his shortened career, with single game highs of 43 and 42 points. His remarkable eleven three-pointers against Barat College in 1998 remains a school record. Caleb was an honorable mention NCCAA All-American and an honorable mention MCC All-Conference performer. His former coach observed, "Caleb was a natural leader who had a way of influencing people to do the right thing, be better people, and perform at a higher level." He was awarded a Bachelor of Science degree posthumously by the university in 2005.
