**Indiana Wesleyan University
22nd Annual Polar Bear Invitational
March 27th, 11:00 AM Field Events 11:00 AM Running Events
IWU Track & Field Complex**

IWU Track Facility:

Completed in the fall of 1994...IWU's track & field complex is considered one of the best in the midwest. IWU worked together with Mondo Corporation to construct a showcase track prior to the 1996 Atlanta Games. IWU has a 9 lane red & grey track. IWU's facility is a track facility only which allows for a very spectator friendly facility. All field events take place on the inside of the facility except for the hammer throw. The IWU facility has a massive "D" area in which the javelin and high jumps take place, 2 shot put pits, 3 long jump pits, 2 runways for the pole vault, 2 sprint straights, a top of the line discus area, and a water pit for the steeple chase located towards the inside of the track.

All equipment on the IWU facility is made by UCS Inc...the primer track and field equipment supplier in the US. www.iwuwildcats.com/f/Facilities_Outdoor_Track.php

Cost is \$100.00 per team or \$200 for both men and women combined. Make checks payable to IWU and send to Eric Jackson - Asst. Track & Field Coach IWU, 4201 S. Washington St, Marion, IN 46953
